

Meet Frankie

**Sweet little Frankie came to the shelter with a broken hip and leg. He had surgery to repair the damage but it left him with severe bone pain because of the movement of the pins. He needs another surgery to remove one of the pins so he can be free of pain and live an active, normal life.
He's only 2 years old.**

Can you Help?

Please give generously. Frankie will thank you!

Donations for Frankie's surgery may be made payable to TEAM and mailed to: TEAM, 4290 Bradshaw Road, Sacramento, CA 95827

Please designate "LapCats/Frankie" on the check.
